

Youth Football & Cheer Business Sponsors

"A commitment to excellence in the classroom and on the field." This is the philosophy of the Ponderosa Junior Bruins Football and Cheer program. We pride ourselves in the development of student athletes and take great pride in fostering community spirit.

We strive to make our program available to all children, however, participation in football or cheer can be expensive. We are asking for your support to help with the increasing operating costs associated with running the local football & cheer programs. All funds generated will help with the cost of purchasing football & cheer equipment, uniforms, maintenance of the facilities, and other expenses that directly affect the children participating in our program.

Your advertisement/sponsorship will give your business excellent exposure and generate good will in our community while helping a child! With your sponsorship, hundreds of people will recognize your company's support of the local youth sports. We welcome your support through the following levels of sponsorship:
